Re: *Suarez v Southern Glazer's Wine & Spirits*, Case No. 19-cv-07271(GRB)(LGD)

Dear Judge Brown:

I represent the plaintiff Maria Suarez in the above referenced action. On January 4<sup>th</sup> 2023 the court directed plaintiff to respond to the defendant's pre-motion letter on or before January 19, 2022. The Defendant's submission is in excess of 600 pages. On December 26, 2022 I slipped and fell on ice and drew my wrist, which was splinted for two weeks. In light of the foregoing, I respectfully request an additional two weeks (until February 2, 2023 to respond to the defendant's pre-motion letter). This is the first request for an extension. The defendant has consented to this request.

Very truly yours,

*Steven J. Moser*
